## Marketing Methods

The important thing that unlocks the gross sales potential of your e-book is to find a single sentence that turns into your promoting handle. Besides promoting your books assiduously online, there are a number of other strategies that may make it easier to promote more books.

One is to present one thing away without cost with your ebook, comparable to a priceless bonus item. Or bundle a number of ebooks underneath one worth, which lowers the value for every e-book in the event that they have been sold separately.

An effective technique for determining a value is to send out a survey to your current customers. If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by creating a gross sales web page for the brand new e-book, however don't include a worth on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to check out prices by making a number of duplicate gross sales pages with different costs on each page. Make sure your sales copy is exactly the identical on every web page, and consists of your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.

Ultimately, should you've written a guide that solves a problem or presents a brand new approach, your guide will usher in each site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what problem your book solves and what the advantages of your 1080 e-book shall be to the purchasers who buy it. And then watch your market come to you!
