Do that by creating a sales page for the brand new book, however do not embody a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with totally different costs on every page. Be sure your sales copy is strictly the same on each page, and

consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum price is.

Finally, if you happen to've written a guide that solves a problem or presents a new technique, your book will bring in each traffic and profits. So be sure to write that promoting-handle sentence that sums up what drawback your e book solves and what the benefits of your 1160 e book can be to the shoppers who buy it.
