Then be sure you use that sentence in every piece of gross sales and promotional material, and every time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are several different methods that can help you promote more books.

One is to offer something away without spending a dime along with your guide, resembling a precious bonus item. Or bundle a number of ebooks underneath one worth, which lowers the price for every book if they have been offered separately.

An efficient technique for determining a price is to ship out a survey to your current customers. If these prospects have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a sales web page for the brand new e-book, but do not include a price on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to test out costs by creating a number of duplicate sales pages with different prices on each page. Be certain that your sales copy is precisely the similar on each web page, and

contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum price is.

Finally, for those who've written a e-book that solves a downside or presents a new approach, your e-book will bring in both visitors and profits. So make sure you write that promoting-handle sentence that sums up what downside your e-book solves and what the benefits of your 1319 e-book might be to the shoppers who purchase it.
