price. Do that by creating a sales page for the brand new book, but don't embody a worth on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out prices by creating a number of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is exactly the same on each page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This may let you know what your optimum value is.

Ultimately, if you happen to've written a e book that solves a drawback or presents a brand new approach, your book will bring in each traffic and profits. So you should definitely write that promoting-deal with sentence that sums up what downside your e book solves and what the advantages of your 1331 ebook will likely be to the customers who buy it.
