One other technique is to test out costs by creating a variety of duplicate gross sales pages with completely different costs on every page. Be sure that your sales copy is precisely the similar on

every page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a e book that solves a downside or presents a brand new technique, your book will usher in both traffic and profits.
