One is to offer one thing away free of charge along with your guide, such as a useful bonus item. Or bundle several ebooks beneath one price, which lowers the price for every e-book if they have been sold separately.

An effective approach for figuring out a worth is to send out a survey to your present customers. If these customers have already bought an e book from you, ask for his or her opinion in terms of price. Do this by making a sales web page for the brand new guide, but don't embrace a value on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate sales pages with completely different prices on each page. Ensure that your gross sales copy is strictly the

identical on every web page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum worth is.

Finally, for those who've written a guide that solves a problem or presents a brand new approach, your ebook will herald each traffic and profits. So you should definitely write that selling-deal with sentence that sums up what problem your book solves and what the benefits of your 1426 e book might be to the customers who purchase it.
