Another technique is to check out costs by creating a number of duplicate gross sales pages with different costs on every page. Make sure your gross sales copy is precisely the same on every page,

and includes your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. It will let you know what your optimum worth is.

Finally, for those who've written a e book that solves a problem or presents a brand new method, your e book will herald both visitors and profits.
