Begin on the highest value the market will bear to bring in the largest income, and plan to discount the guide a variety of occasions all through the year.

every web page, and contains your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will inform you what your optimum price is.

Finally, if you happen to've written a ebook that solves a problem or presents a new technique, your ebook will usher in each site visitors and profits.
