Do that by making a gross sales page for the new e-book, however do not include a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Make sure your sales copy is exactly the identical on every page, and contains your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum worth is.

Ultimately, if you've written a e book that solves a downside or presents a brand new technique, your book will usher in both visitors and profits.
