If these customers have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do this by creating a sales page for the new guide, however do not embody a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with different costs on each page. Ensure that your sales copy is exactly the same on every page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. This may tell you what your optimum worth is.

Ultimately, when you've written a ebook that solves a drawback or presents a brand new method, your

e book will herald both traffic and profits. So be sure to write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 1553 book will likely be to the purchasers who purchase it. After which watch your market come to you!
