If these customers have already bought an ebook from you, ask for their opinion when it comes to price. Do that by making a sales page for the new e book, but do not include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with different prices on each page. Ensure your sales copy is strictly the same on each web page, and contains your selling-deal with sentence. Then work out for every web page the conversion ratio between visitors to your website and sales of your book. This may inform you what your optimum price is.
