Another technique is to check out prices by making a variety of duplicate sales pages with different prices on every page. Make sure that your sales copy is strictly the same on every web page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a e book that solves a drawback or presents a new approach, your guide will bring in each site visitors and profits.
