Do this by making a gross sales page for the brand new guide, but don't embody a worth on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on every page. Make sure your gross sales copy is exactly the same on each web page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between guests to your site and sales of your book. This may inform you what your optimum value is.

Ultimately, if you happen to've written a e-book that solves a downside or presents a new technique, your ebook will herald both traffic and profits.
