price. Do that by creating a gross sales page for the new e-book, however do not include a worth on that page. As an alternative, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a number of duplicate sales pages with totally different costs on every page. Make certain your sales copy is precisely the same on every web page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum worth is.

In the end, if you happen to've written a e book that solves a drawback or presents a new method, your ebook will bring in both traffic and profits.
