substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out costs by creating a number of duplicate sales pages with completely different prices on every page. Be certain that your sales copy is strictly the same on every web page, and consists of your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum price is.

In the end, when you've written a e-book that solves a downside or presents a brand new technique, your guide will herald both visitors and profits.
