An efficient approach for figuring out a value is to send out a survey to your current customers. If these clients have already bought an e book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new e book, however don't embody a worth on that page. Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the same on

every page, and consists of your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.
