If you want to see giant profits over customer draw, intention for an audience that's in search of straightforward solutions to their problems at a low price. In case your book is geared toward fixing one particular problem rather than common advice, then you may cost more. Begin on the highest worth the market will bear to bring in the largest profits, and plan to discount the guide a number of instances throughout the year.

consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum worth is.
