Advertising Strategies

The key that unlocks the sales potential of your e book is to discover a single sentence that turns into your promoting handle. This sentence states what question or problem your e book solutions and the benefits your ebook can provide. Then be sure to use that sentence in every piece of gross sales and promotional material, and every time anybody asks you about your ebook.

An efficient method for determining a value is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for their opinion when it comes to price. Do that by making a gross sales page for the brand new book, but don't embrace a price on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Ensure that your gross sales copy is precisely the same on every page,

and contains your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and gross sales of your book. This may inform you what your optimum price is.
