Do that by creating a sales page for the new e-book, however don't embrace a price on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to test out costs by creating a number of duplicate gross sales pages with different costs on each page. Be certain that your sales copy is strictly the similar on each page, and includes your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. It will let you know what your optimum worth is.

Ultimately, in the event you've written a book that solves a downside or presents a brand new approach, your e-book will herald each site visitors and profits.
