The key is to find a worth that maximizes your profits and the variety of books you sell.

This is a wonderful pricing technique in case you are looking to purchase long-term customers. Lengthy-term prospects are extremely seemingly to purchase from you again and again ? as long as the first e-book they purchase is of distinctive high quality and helpful to the customer.

However, in case your guide contains valuable ? and extra importantly NEW data, references, or strategies ? then you must aim to price it on the excessive end.

After you figure out your objective, it's essential to figure out what your audience's need is to your ebook. For example, does your e book remedy a particular downside? If it does, and solves it in a method that hasn't been written about in 100 other ebooks, you'll be in a position to obtain excessive gross sales at a excessive price. In case your guide solves a problem or answers questions in a new and distinctive way, you need to value your book as high as you may go. Begin on the highest worth the market will bear to usher in the largest profits, and plan to discount the book a variety of times throughout the year.

## Marketing Strategies
