Do that by making a gross sales web page for the new book, but don't embody a worth on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

similar on every web page, and consists of your selling-deal with sentence. Then determine for every web page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum price is.
