The key that unlocks the sales potential of your e book is to find a single sentence that turns into your selling handle. This sentence states what question or downside your e-book solutions and the advantages your ebook can provide. Then be sure you use that sentence in each piece of sales and

promotional materials, and each time anyone asks you about your ebook.

One is to offer something away totally free together with your e-book, corresponding to a valuable bonus item. Or bundle several ebooks underneath one value, which lowers the worth for every e-book if they had been offered separately.

An effective technique for figuring out a worth is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the new ebook, but don't embody a price on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by creating a variety of duplicate gross sales pages with completely different costs on every page. Be sure your sales copy is precisely the identical on each page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum value is.

Ultimately, for those who've written a book that solves a problem or presents a brand new approach, your book will bring in both visitors and profits.
