Another strategy is to test out prices by creating a variety of duplicate sales pages with different prices on every page. Make sure your gross sales copy is strictly the similar on each page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and gross sales of your book. It will tell you what your optimum price is.

Finally, in the event you've written a guide that solves a downside or presents a brand new approach, your e-book will herald both visitors and profits.
