Do that by making a sales page for the brand new ebook, but don't embody a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a number of duplicate gross sales pages with totally different costs on every page. Make certain your gross sales copy is strictly the same on each page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your site and sales of your book. This will inform you what your optimum value is.

In the end, if you happen to've written a e-book that solves a drawback or presents a new technique, your e-book will bring in both site visitors and profits.
