Another technique is to test out prices by making a variety of duplicate gross sales pages with different prices on every page. Be certain that your sales copy is strictly the same on every web page, and contains your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This will tell you what your optimum value is.

Ultimately, for those who've written a e-book that solves a drawback or presents a brand new technique, your e-book will bring in each visitors and profits.
