ebook.

An effective method for figuring out a worth is to send out a survey to your present customers. If these prospects have already bought an e book from you, ask for his or her opinion when it comes to price. Do this by making a sales page for the new guide, but do not include a price on that page. Instead, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with totally different costs on every page. Be sure your sales copy is exactly the identical on each page, and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum value is.

Ultimately, in case you've written a guide that solves a drawback or presents a brand new method, your guide will bring in both site visitors and profits.
