One other strategy is to test out prices by creating a number of duplicate gross sales pages with

different prices on every page. Ensure your gross sales copy is precisely the same on each web page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum worth is.

Ultimately, in the event you've written a e book that solves a drawback or presents a new technique, your e-book will herald both visitors and profits.
