Do that by making a sales web page for the new ebook, however don't embody a worth on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is exactly the similar on every page,

and contains your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.

Ultimately, should you've written a e book that solves a drawback or presents a new approach, your book will usher in both site visitors and profits.
