and promotional material, and each time anyone asks you about your ebook.

An efficient method for figuring out a value is to send out a survey to your present customers. If these prospects have already bought an book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new e book, however don't embrace a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate gross sales pages with different prices on every page. Be sure your sales copy is precisely the similar on every web page, and contains your promoting-deal with sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This can let you know what your optimum worth is.

Ultimately, when you've written a guide that solves a downside or presents a brand new method, your book will bring in each traffic and profits. So be sure you write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 2685 guide can be to the shoppers who buy it.
