Do that by making a gross sales web page for the new guide, but do not embrace a value on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different prices on every page. Make sure that your gross sales copy is exactly the identical on each web page, and contains your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.

In the end, should you've written a ebook that solves a problem or presents a new technique, your ebook will usher in each site visitors and profits.
