price. Do that by making a gross sales page for the new book, however don't embody a value on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to check out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be sure that your sales copy is exactly the same on each page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your website and gross sales of your book. This can tell you what your optimum value is.

Ultimately, in case you've written a guide that solves a drawback or presents a new approach, your ebook will herald each site visitors and profits.
