Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate gross sales pages with completely different costs on each page. Make sure your gross sales copy is precisely the same on each page, and contains your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum value is.

In the end, in case you've written a e-book that solves a problem or presents a new method, your guide will herald each site visitors and profits.
