Do that by making a sales page for the new ebook, but don't embody a value on that page. Instead, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different costs on each page. Make sure your gross sales copy is precisely the same on every page,

and includes your promoting-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This may tell you what your optimum value is.
