An efficient technique for determining a value is to send out a survey to your current customers. If these prospects have already bought an ebook from you, ask for his or her opinion when it comes to

price. Do that by making a gross sales page for the new e-book, however do not embrace a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to check out prices by making a variety of duplicate sales pages with different costs on each page. Be sure that your gross sales copy is exactly the same on every web page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. It will inform you what your optimum value is.

In the end, in the event you've written a e book that solves a problem or presents a new approach, your e book will bring in both traffic and profits. So you should definitely write that selling-deal with sentence that sums up what downside your e-book solves and what the advantages of your 443 guide can be to the shoppers who buy it.
