An efficient technique for determining a value is to ship out a survey to your present customers. If these clients have already bought an ebook from you, ask for their opinion by way of price. Do this by creating a gross sales page for the new e-book, but don't embrace a value on that page. Another strategy is to check out prices by making a variety of duplicate gross sales pages with different prices on every page. Make certain your sales copy is precisely the identical on every web page, and includes your selling-handle sentence. Then work out for each page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum worth is.
