If your e-book solves an issue or answers questions in a brand new and unique

manner, you should value your ebook as high as you can go. You'll achieve larger earnings this manner, but herald fewer customers. Just be certain that the query or problem that your ebook solves is one that is necessary and relevant to nearly all of your market audience. If you want to see giant earnings over customer draw, purpose for an audience that's searching for simple options to their problems at a low price. If your book is aimed toward fixing one particular downside quite than general advice, then you'll be able to cost more. Start on the highest worth the market will bear to herald the largest earnings, and plan to discount the e-book a number of instances throughout the year.
