An efficient method for determining a value is to send out a survey to your present customers. If these prospects have already purchased an book from you, ask for their opinion by way of price. Do

this by creating a sales page for the brand new ebook, but do not embrace a value on that page. As an alternative, add various links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out prices by making a variety of duplicate gross sales pages with completely different costs on every page. Be certain that your sales copy is precisely the same on each web page, and contains your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your website and gross sales of your book. This will let you know what your optimum worth is.

Ultimately, when you've written a ebook that solves a drawback or presents a brand new approach, your book will usher in both traffic and profits. So make sure to write that promoting-handle sentence that sums up what downside your guide solves and what the advantages of your 561 guide will likely be to the customers who purchase it.
