Do that by creating a gross sales page for the brand new guide, but don't embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with completely different costs on every page. Be certain that your sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. It will tell you what your optimum worth is.

In the end, if you've written a e book that solves a downside or presents a brand new approach, your e book will bring in each visitors and profits.
