a high price. In case your e-book solves an issue or answers questions in a brand new and distinctive means, it's best to price your book as excessive as you can go. If you wish to see large income over buyer draw, aim for an audience that's looking for simple solutions to their problems at a low price. In case your guide is aimed toward fixing one particular problem quite than general advice, then you can charge more. Begin on the highest worth the market will bear to usher in the largest income, and plan to low cost the e-book a number of times throughout the year.
