Another strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is strictly the identical on each page, and consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your web site and gross sales of your book. This may let you know what your optimum value is.

Finally, if you happen to've written a ebook that solves a problem or presents a new method, your e book will herald both visitors and profits.
