advantages your book can provide. Then be sure you use that sentence in every piece of gross sales and promotional material, and each time anyone asks you about your ebook.

An effective approach for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an e book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the brand new ebook, but don't include a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out costs by creating a number of duplicate sales pages with completely different costs on every page. Make certain your sales copy is strictly the identical on each page, and contains your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This can let you know what your optimum price is.
