An efficient approach for figuring out a price is to ship out a survey to your current customers. If these customers have already bought an e book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the brand new guide, but do not embody a worth on that page. As a substitute, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with different prices on each page. Ensure that your sales copy is exactly the identical on every web page, and

consists of your promoting-deal with sentence. Then figure out for every web page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum worth is.

Finally, in case you've written a e book that solves a downside or presents a brand new method, your guide will bring in each visitors and profits.
