An effective approach for figuring out a value is to ship out a survey to your present customers. If

these customers have already bought an book from you, ask for their opinion when it comes to price. Do that by creating a gross sales page for the brand new ebook, however do not embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate gross sales pages with different prices on each page. Make certain your sales copy is precisely the similar on each page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your site and sales of your book. This will tell you what your optimum value is.

Ultimately, should you've written a book that solves a problem or presents a new technique, your book will herald both visitors and profits. So remember to write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 945 e book can be to the shoppers who buy it.
